## Exciting News! Voice Signature Option Now Available!

The American-Amicable Group of Companies is excited to announce that we have added voice signature capabilities to our Younger Age 0-49 Final Expense, Express UL, and Security Protector. This will now provide you with three signature options to complete applications:

- Sign on Screen
- Email for Signature
- Voice Signature

Please see below for a quick overview:

- Complete the application by using the Mobile Application option on [www.insuranceApplication.com](http://www.insuranceApplication.com).
- At the end of the application process, select "Voice Signature" from the available signature options.
- Using the voice signature script provided, make a recording of the signature using the American Amicable Group recording system at (800) 927-1604.
- After the recording has been made, submit the application as normal.

With the addition of the products referenced above, the voice signature and email for signature options are now available on almost all of the products we offer. Take advantage of this additional flexibility today. For more details regarding our voice signature option, please download the instructions provided below.
