Your home may be your most valuable asset...

Help provide peace of mind when you and your family need it most.

Many families are forced to leave their home due to economic hardship caused by death, disability, or unemployment.

If you died, would your family have enough money to help pay off the mortgage?

If you were unable to work for an extended period of time, would your family have enough money to pay the mortgage each month?

If you lost your job, would you still be able to afford your insurance premiums?

HMS Plus 125 is a term life insurance product that may help you keep your home, if the unexpected happens.

The Statistics: No one likes to think about it, but the likelihood of someone dying before paying off a 30-year mortgage is:

At age 30:	1 out of 13
At age 35:	1 out of 9
At age 40:	1 out of 6
At age 45:	1 out of 4
At age 50:	1 out of 3

Help pay your mortgage at death

You select the amount of coverage you need and the period that most closely matches your mortgage. The death benefit remains level for the entire guarantee period. In the event of your death, the benefit is paid directly to your beneficiaries. They can use the money to help pay off the mortgage or for any other financial needs.

Protects in case of an accidental death

An Accidental Death Benefit Rider is included at no additional cost. An additional death benefit, equal to 25% of your base death benefit, will be paid to your beneficiary(ies), if your death occurs prior to the end of the level premium period and is the result of an accidental injury. An additional death benefit, equal to 25% of your base death benefit, will also be payable if you die from a bodily injury that is the direct result of an accident while riding as a fare-paying passenger on a common carrier.

Additional monthly income payment

The optional Income Term Rider provides a death benefit to your beneficiary, that's paid in monthly payments. The payments may cover all or a portion of your mortgage payment, or can provide an income to help take care of other financial obligations they may incur when you are gone.

Provides extra money if you become disabled

When you select the Disability Income Rider, you will receive a monthly income up to \$2,000 for up to two years in the event you become totally disabled. Money paid to you under this optional benefit rider can be used to help pay for your mortgage or other bills.

Riders are optional and available for an additional cost and may not be available in all states.

Are you covered?

Living Benefits to Offer Peace of Mind

If you are diagnosed with an unexpected illness, lost income and medical expenses can take a toll on a family budget. Living Benefit Riders can help offer peace of mind at a critical time. These benefits give you access to an early (accelerated) payout of the policy death benefits if you are diagnosed with a Critical, Chronic, or Terminal Illness.

The best thing is, these Living Benefits are included with your HMS Plus policy at no additional cost to you. Having access to this money could make an important difference in the quality of your life and the lives of your loved ones.

Critical Illness Rider

The Critical Illness Rider can pay you a lump-sum benefit if you are diagnosed with a qualifying critical illness such as invasive cancer, stroke, or heart attack.*

Chronic Illness Rider

In the event of a catastrophic health crisis where you are unable to perform 2 activities of daily living in a 90-day period, the Chronic Illness Rider can pay you a lump-sum benefit to help you cover your medical treatments and other expenses.*

Terminal Illness Rider

The Terminal Illness Rider can pay you a lump-sum benefit if you are diagnosed with a qualifying terminal illness where death is expected in 12 months or less. This money can be used for any reason.*

**Requested acceleration amounts will be reduced by an administrative charge and an actuarial discount, based on the insured's life expectancy at the time of the request. Calculated benefits may result in no payment to you.*

Coverage if disabled or unemployed

When you select the optional Waiver of Premium Rider, your monthly premiums may be waived if you become totally disabled. The Involuntary Unemployment Waiver of Premium Rider will be added automatically when the Waiver of Premium Rider is selected. With this extra protection, your premiums may be waived and you can keep your valuable coverage during a total disability or a period of involuntary unemployment.

Spouse coverage

You, like many Americans, may depend on your spouse's income to make the mortgage payment and provide resources for other expenses. The optional Additional Insured Term Insurance Rider adds coverage for your spouse in an amount equal to, or less than, the base face amount.

Coverage for your children

The optional Children's Term Rider provides up to \$15,000 of additional insurance coverage for each child. Coverage is provided to age 25 and may then be converted into a new individual policy up to five times the initial rider amount.

Riders are optional and available for an additional cost and may not be available in all states.

Receive your money back if you never use the coverage

Hopefully, you will outlive your mortgage in good health. With HMS Plus 125 CBO, you have the benefit of life insurance protection while you need it, and the option to receive your money back when you may not need the coverage. At the end of the Cash Back Option period, your cash value will equal 100% of the premiums paid on the base policy, less any loans. You may request to terminate your coverage and receive 100% of the base premiums back.¹

Cash Back Option Example

Joe is a 30-year-old male, non-smoker, who purchases a \$150,000 HMS Plus 125 CBO policy with a 30-year Cash Back Option period.

- ▶ His monthly premium payment is \$67.88.
- ▶ After 30 years, the cumulative premium paid is \$24,436.80.
- ▶ The Cash Back Option Value at the end of the 30 year period is \$24,436.80.

If Joe chooses to terminate his coverage at the end of year 30, he is guaranteed to get 100% of his base premium returned (less any outstanding loans). This surrender must be requested within 60 days of the 30th anniversary date. If requested after this time, there is no guarantee of the amount of any cash surrender value.

¹If the Enhanced Surrender Value (Cash Back Option Period) is in effect at the end of the Enhanced Surrender Value Period, the surrender value of the policy will equal the total amount of premiums paid for the base policy, not including any premiums paid for riders.
