Transition Guidelines:

For states that are approved at rollout, there is a 60-day transition period which begins on **November 12, 2018 and ends on January 11, 2019**. During the transition period:

New applications received and applications currently in underwriting will automatically
receive the lowest LifeElements rates available. A request to use the lower rates will <u>not</u> be
required. If the application had been submitted with premium using higher rates the
difference will be automatically refunded.

- For policies already issued Lincoln will accept a written request to change to the Lincoln LifeElements Level Term (2017) 11/12/18 rates.
- For policies already placed Lincoln will not allow rewrites to the Lincoln LifeElements Level Term (2017) 11/12/18 rates.
- For LincXpress Tele-App cases a complete ticket and required solicitation forms must be received within the same transition period outlined above.
- States approved after rollout the above will automatically apply based on the availability date.

Thank you for your continued partnership and support. If you have any questions, please reach out Tessa at Stephens-Matthews Marketing. **1-800-544-8250 ext. 117**
