Medicare Supplement

Protection from the bills medicare doesn't pay

Medicare was never meant to cover all your doctor and hospital bills. Unfortunately many people do not realize this until the bills become unmanagable. Reliance on Medicare in this situation can mean financial difficulty with out-of-pocket expenses.

Medicare Supplement Series offers 4 standardized insurance plans

Medicare Supplement from ManhattanLife Lighthouse series is designed to give you choices - choices you need to help cover health care costs today! Our plans allow you to choose a Medicare Supplement Plan to suit your life's situation, budget, and needs.

All Medicare Supplement plans offer these benefits:

Part A Coinsurance pays if you are confined in a hospital. Should you require more than 60 continuous days of hospitalization, ManhattanLife of America will pay the coinsurance amounts up to the 150th¹ day of confinement and for the first 3 pints of blood each year. Additionally, if you use your lifetime reserve days, ManhattanLife of America will provide coverage for up to an additional 365 days.

Part B Coinsurance pays the Medicare Part B coinsurance amount, reducing your out-of-pocket expenses when you require medical services. Plan N requires a co-payment of up to \$20 for an office visit, and up to \$50 co-payment for an emergency room visit.
