

Reference-based pricing programs that help our customers save

Core Value product options are designed to help you select the reference-based pricing model that best fits your customers' needs.

Core Value

Reimburses the same amount no matter which health care providers members choose.¹ This can add up to big savings for both employers and their members.

Core Value Flex

Gives employers the option to switch to a PPO network mid-year, without a change in the employer's monthly payment.

Core Value Access

Offers access to a network of physicians.

Core Value Connect

Access to easily book in-person care at One Medical offices nationwide¹ or access 24/7 on-demand virtual care through the One Medical app.

Value-Added Features

These features are included at no additional cost:

The Member Advocacy Program (MAP)	The Member Advocacy Program (MAP) works with members to help understand their benefits, use their plans, find providers, and understand their Explanation of Benefits (EOB) documents. They also work to resolve any bill discrepancies ² and keep members informed and represented when unexpected billing occurs.
Pricing transparency tools	Provider search tools allows you to find medical providers in your area who accept your healthcare benefits plan and specialize in a particular type of care. The information available for each provider includes the provider's location, contact information, and quality rating based on how other patients have rated this provider. ³
Virtual health care	Virtual services that provide convenience, easy access and cost savings. Virtual urgent care for common illnesses like pink eye, asthma and colds as well as virtual counseling for adults and children as young as 10 years old are available through the Recuro Health ⁴ platform.
Virtual musculoskeletal care	Vori Health provides a personalized virtual clinical care team to diagnose, treat and manage musculoskeletal conditions. Initial evaluations and treatment plans for many joint issues have \$0 copays for all members.

For an additional price, add the Vitality[®] wellness program. Vitality incorporates scientifically and clinically proven elements to have the greatest impact on wellness.

¹ Benefits are determined based on a multiple of the Medicare reimbursement rate or other derived equivalent. Pharmacy benefits and transplant services require the use of network providers.

² Non-covered services and certain other charges are not eligible for the program.

³ There is no correlation between the pricing transparency tool services and a provider accepting the payment made by the Core Value plan.

⁴ Recuro is not available with Core Value Connect Plans.

Core Value Connect is available in Atlanta GA, Chicago IL, Columbus OH, Dallas and Houston TX, Miami/Ft. Lauderdale FL, and Portland OR. | 2 Pediatric and family care offerings vary by location and state.

FOR FINANCIAL PROFESSIONAL USE— NOT FOR DISTRIBUTION TO THE PUBLIC

The Self-Funded Program through Nationwide provides tools for employers owning small to midsized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. Stop loss insurance policies are underwritten by Nationwide Life and Benefits Insurance Company, Columbus OH, in AK, AR, AZ, CT, IL, MA, PA, TX, WI; Integon National Insurance Company in NY; and National Health Insurance Company in CO, WA and all other states where offered. Product availability and specific provisions may vary by state.
