

Who we are

We focus on providing small- and mid-sized business employers with benefit options previously only available to large employers

Self-funding used to be a concept only available to large employers. We're here to change that.

NGBS specializes in providing solutions to employer groups and has health coverage options available in 49 states, as well as the District of Columbia.

For agent use only. Not for distribution to consumers. The National General Benefits Solutions (NGBS) Self-Funded Program provides tools for employers owning small to mid-sized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. For employers in the NGBS Self-Funded Program, stop-loss insurance is underwritten by: Integon National Insurance Company in CO, CT, NY and VT; Integon Indemnity Corporation in FL; and National Health Insurance Company in all other states where offered.
