

## National General Access

### Introducing our new fixed-benefit medical plan

Available in: **AL, AR, AZ, DC, FL, GA, IA, IL, LA, MI, NC, NE, OK, SC, VA, WI, WV, and WY.**

National General Access, a new fixed-benefit medical plan, can help your clients get help paying for care. Rates start at \$131 a month!<sup>1</sup>

The plan pays set, first-dollar benefits for services regardless of provider location, charges, and other coverage. Members pay any balance above the benefit amount.

Here are a few features of National General Access:\*

- 3 levels of coverage — Value, Fundamentals, Enhanced — plus a Guaranteed Issue option.
- Access to First Health network, with network discounts to help members stretch their benefits further.
- No waiting period for sickness benefits.
- Select benefits increase in years 2 and 3 of the plan.
- Hospital admission and increasing daily confinement benefits.
- Two tiers for inpatient surgery, assistant surgeon, and anesthesia.
- Two tiers of confinement benefits: injury and sickness.

***You can sell National General Access all year long, so start selling Friday, March 13, 2020!***

THESE PLANS PROVIDE LIMITED BENEFITS.
