CareFlite

Provides worldwide, 24-hour hospital bed-to-hospital bed fixed wing air ambulance service at no charge. Designed for **stabilized patients** who cannot receive necessary medical care where they are presently admitted for treatment. All transfers must be evaluated and approved by CareFlite in advance, and determined by a Primary Medical Authority physician to be medically necessary. Transfer must be to a specialized hospital or medical center of higher care at least 100 air miles (one way) away.

Emergency Helicopter Rescue

In the event that an eligible member suffers from a "certified injury" that requires emergency medical transportation by helicopter in accordance with EMS protocols, the program will reimburse the participant up to a maximum of \$4,000.00 per occurrence. Reimbursement includes expenses incurred from the cost of "Medically Necessary" or "Life Threatening" helicopter transportation from the scene of an accident to the nearest medical facility capable of treating the injuries or from one medical facility to another medical facility. Claims for "Medically Necessary" transports from one medical facility to another medical facility are subject to review by Lifeguard's Medical Officer.

Provisions include:

- One benefit will be paid per occurrence.
- Benefit in excess of all other valid collectable insurance.
- Coverage is worldwide.
- Transportation by helicopter only.

This benefit is provided to USA+ members by Lifeguard Emergency Travel, Inc. Certain terms and conditions apply and benefits are subject to the Exclusions and Limitations. See your Membership Handbook for the details.
